WARNING: IMPORTANT SAFETY INFORMATION

Read these instructions in their entirety before using this product. Failure to follow these safety warnings and instructions could result in serious bodily injury or even death.

FIREARMS SAFETY: ALWAYS FOLLOW THE FOUR FUNDAMENTAL RULES OF FIREARM SAFETY.

1. Assume every gun is loaded.
 2. Never let your muzzle cross anything you are not willing to destroy.
 3. Know your target and what's beyond it.
 4. Keep your finger off of the trigger until you are on target and ready to fire.
- Always wear eye and ear protection when shooting or in the area of shooting.
 - Never allow anyone to go forward of the firing line until shooting ceases and all weapons are made safe.

WARNING: Never shoot at this product from closer than 100 yards.

Be sure you have a safe backstop, such as a hill or berm of soft earth. Be sure the area beyond and beside the target is safe and clear.

WARNING: Do not use rubble or concrete as a backstop or support surface. Bullets can ricochet off of hard surfaces.

Place the target stand directly onto soft ground. Do not place the target stand on concrete, asphalt or solid rock. Do not elevate the product. Always shoot directly at the product (shooter must be perpendicular to the target). **See Illustration Below**

Shooters must keep at least 100 yards back from the target. Keep all bystanders behind the shooter.

Lead Safety: Your target and frame can accumulate lead residue from lead ammunition. Always wash your hands with warm soapy water after handling the target and before eating and drinking.

Note: This target stand is intended to be used only with the frame and components included.
