

# GUN BOSS® PRO - HANDGUN

Follow these simple steps when cleaning your firearms using the slotted tip and patches, along with the appropriate brushes, mops and jags included in the kit.

## SAFETY FIRST

**MAKE CERTAIN YOUR FIREARM IS UNLOADED: CHECK THE BREECH, INSPECT MAGAZINE OR CYLINDER. REMOVE MAGAZINE IF POSSIBLE. CLEAN FIREARMS IN A WELL VENTILATED AREA.**

## CLEANING INSTRUCTIONS:

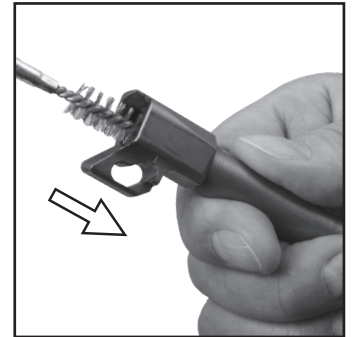

**NOTE: WHEN POSSIBLE, THE PREFERRED DIRECTION FOR ALL BORE CLEANING IS FROM ACTION TO MUZZLE.**

**STEP 1:** Connect the desired number of rods to the ergonomic handle.

Note: One of the threaded receivers on the handle rotates, and other one is stationary. Use the rotating threaded receiver for cleaning bores, and the fixed receiver for detailing work.

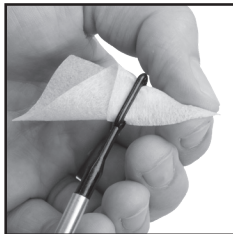

**STEP 3:** Remove the slotted bore patch tip or jag from the rod and attach the appropriate size brush to the rod. Push the brush through the bore from action to muzzle. This step loosens more fouling.

**DEPENDING ON YOUR PREFERENCE FOR USING SLOTTED TIPS AND/OR JAGS, SELECT THE SIZE THAT CORRESPONDS TO THE CALIBER OF YOUR FIREARM. ALSO NOTE THAT PATCHES MAY REQUIRE TRIMMING TO ENSURE PROPER FIT IN BORE:**

### STEP 2A - SLOTTED BORE PATCH TIPS:

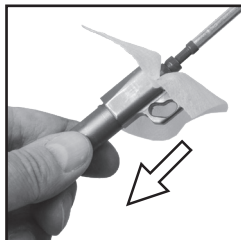

Attach a slotted bore patch tip to the end of the assembled rod. Slide an appropriately sized cleaning patch through the slotted bore patch tip. Apply a generous amount of gun solvent to the patch and push the patch through bore. This step moistens and begins to loosen fouling.

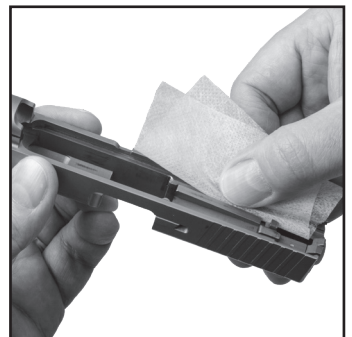

**STEP 4:** Re-attach the slotted bore patch tip or jag to the rod (along with a clean/dry patch). Push the clean patch through the bore from action to muzzle. The patch will absorb loosened fouling. Repeat steps 2 through 5 using multiple patches until last patch comes out clean.

**STEP 2B - JAGS:** Pierce the center of an appropriately sized cleaning patch with the tip of the jag and wrap the patch around the jag. Apply a generous amount of gun solvent to the patch. From action, carefully guide the jag into the opening of the bore and push it the length of the bore using a consistent pressure. Extract the rod and dispose of the used patch. We do not recommend re-inserting the jag/patch multiple times. Use a fresh patch for each pass through the bore.

**STEP 5:** Once the bore is clean, wipe down the action and its parts with a clean patch lightly coated in gun solvent to remove any stray fouling. Finally, wipe down action with a clean dry patch to remove any excess solvent.

**NOTE:** After handling a firearm it is good practice to wipe down external metal components with a very light coat of CLP or gun oil to reduce oxidation. Wash your hands with soap after cleaning firearms to remove any lead residue.

## TOOL CASE:

THE TOOL CASE FOR THE GUN BOSS PRO IS AN ORGANIZED, STURDY AND SECURE STORAGE SOLUTION FOR GUN MAINTENANCE. IT CAN BE USED AND STORED IN A VARIETY OF POSITIONS AND IT IS MADE FROM IMPACT-RESISTANT ENGINEERING-GRADE RESIN.

## CASE POSITIONS:

NO MATTER WHERE YOU CLEAN, THE GUN BOSS PRO HAS YOU COVERED.

**STOW AND GO:** In this compact position the case stores virtually anywhere. Simply lock it shut and it is ready for your range bag, tool box, truck or ATV.

**PEG BOARD:** The convenient hole in the top of the case allows for easy storage on any peg board.

**WORK BENCH:** When opening the case, the clear cover rotates around to form a kickstand for the rest of the case. This allows for organized cleaning on any flat surface.

**WALL MOUNT:** Locate the two small holes behind the rod handle. These holes are sized to accept a standard drywall screw. This allows you to permanently mount case to a wall of your choosing.

**TO FRIENDS AND CUSTOMERS:** As the owners of Real Avid, authenticity isn't just a strategy here. It's a guiding philosophy. It arises out of our faith and personal relationships with Jesus Christ. We know that our creativity and success ultimately comes from Him. He cares about each of us and about our customers. We're not perfect, but we are committed to following Him in our personal and business lives.

We look forward to growing our relationship with you and continuing to earn our place.
