

GUN BOSS® - AR15

AR15 SPECIFIC CLEANING TOOLS READY TO GO WHEREVER YOUR GUN GOES.

Big functionality in a small rugged package that easily fits into a pack or range bag. A chamber brush, carbon picks and star chamber pads help to clean more than the bore and keep your bolt cycling smoothly. No annoying loose parts. Smartly organized, each brush, pick, jag, patch, pad and rod is held securely in place. Rod based for easier cleaning. This sets the standard for a portable AR15 cleaning kit.
